# Why use a specialist instead of a bank?

## Problems with the Banks

**Excessive  
Charges**

**Slow  
Process**

**Old Tech**

**No Access  
to  
Expertise**

	£100,000 will get you	Additional Fees
 CompleteCurrency	€116,500	No Fees
Natwest	€114,862	£30
Barclays	€114,220	£15
Lloyds	€113,431	£9.50
Paypal	€112,386	€395

These exchange rates were obtained at 2:35pm on 5th January 2017. They are based on sending an international money transfer of £100,000 in €s as quickly as possible. Results have been ranked by the amount you would receive not including any additional fees.

# The Complete Process...

## Register

Once forms are completed it takes no more than 72 hrs to have an account set up and ready to use.

## Instruct Payment

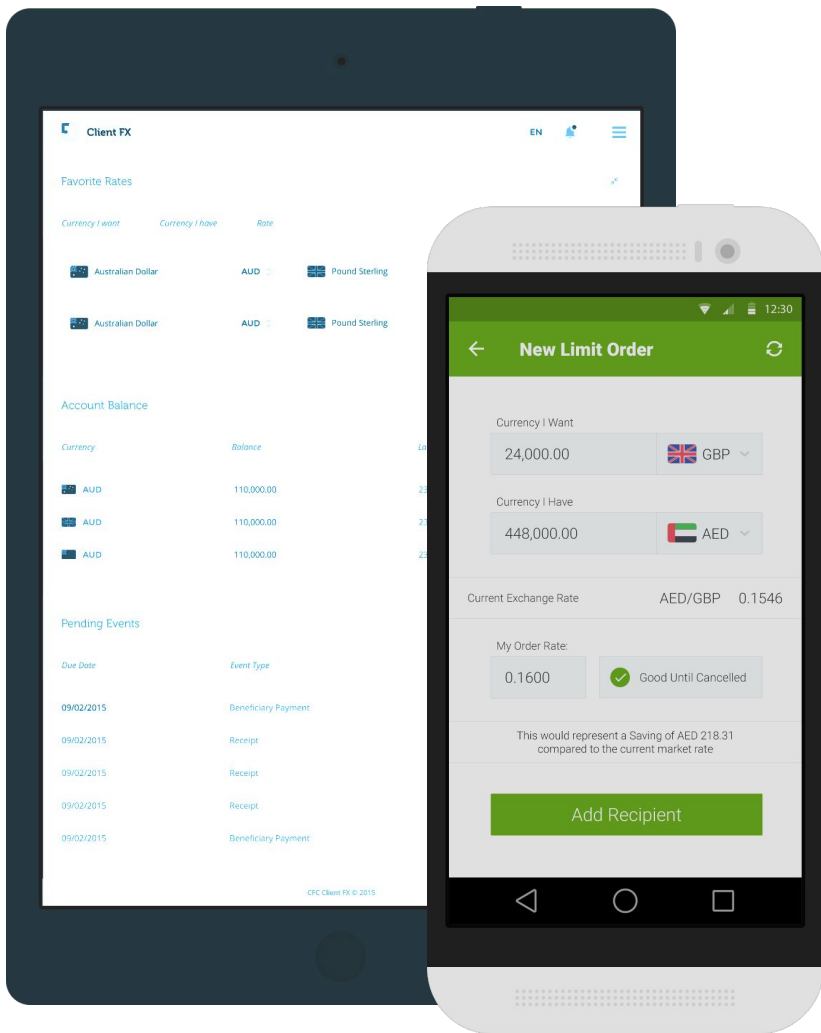

Secure the currency you require at a pre-agreed rate of exchange along with instructions of where you want your payment delivered.

## Settlement

Fund your transactions by sending the currency you hold to your Complete Currency safeguarding customer account.

## Completion

Once your funds are received, the outgoing payment is released according to your instructions.

Instant (same or next day)  
International Payment

Fixed Exchange Rate for a  
Future Transfer

Target a Desired Rate of  
Exchange

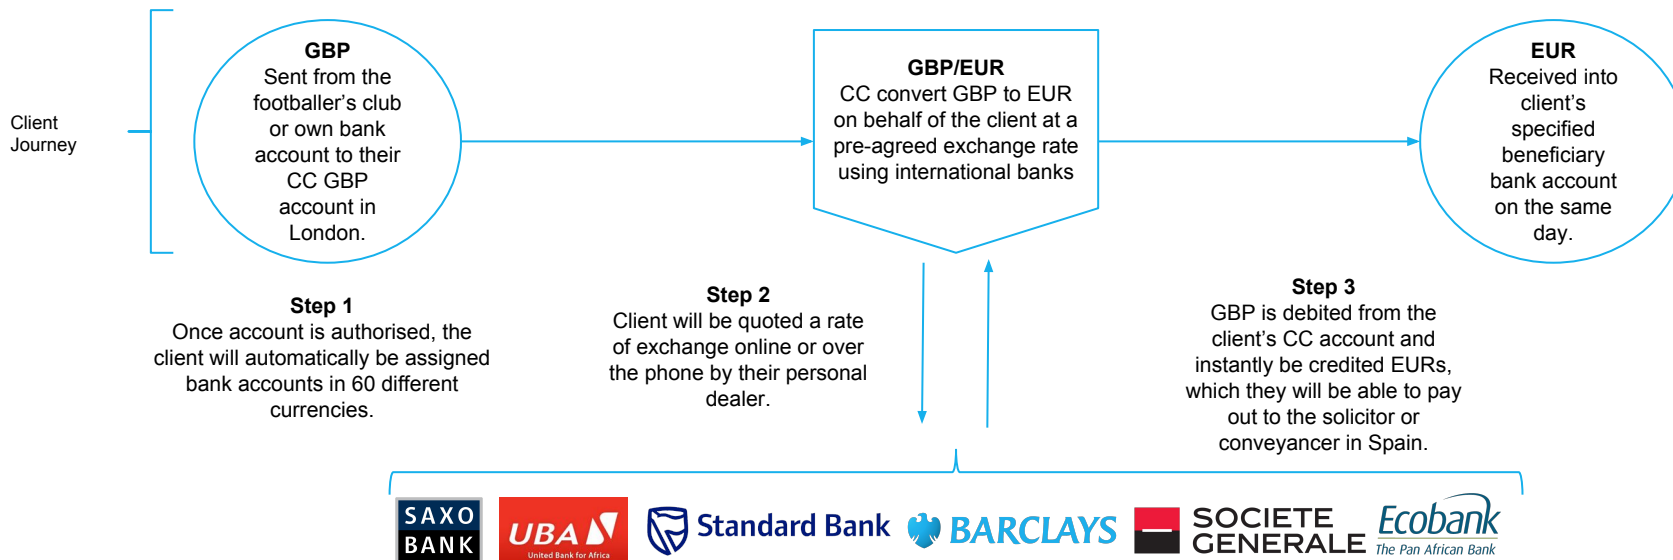

Tailored Currency Guidance

# Client Example: GBP to EUR same day transfer...

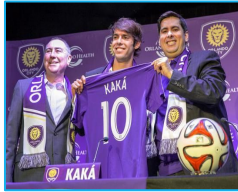

Spanish football professional receiving GBP locally wishing to repatriate funds back to Spain in EUR for a property purchase

In this case Complete Currency would onboard the football professional as its client and they will be assigned a personal dealer.

The dealer will guide them to execute the transaction over the phone or online, Our pricing engine will automatically aggregate the best rates available from the market and pass them through to the customer from one source.
